

PREP HOCKEY

6th, 7th and 8th Grade Clinic

It is with great pleasure that we invite you to The St. Joseph's Prep Hockey Clinic for players entering the 6th, 7th and 8th Grades! This year's clinic is a one day event held on Sunday (8/9), at the Pennsauken Skate Zone in Pennsauken, New Jersey. The clinic coincides with the first day of the St. Joseph's Prep Team Camp, allowing the 6th, 7th, and 8th grade players to interact with the Prep 2009-10 High School Teams. Reporting time for the players is 11:45 am; they'll go on the ice at 12:15 pm and again at 4:00 pm. Between the ice sessions will be team-building games, an off-ice session, & lunch. We'll wrap up the day with a BBQ with the entire Prep Hockey Family. Come join us for on-ice instruction and off-ice fun as the 6th, 7th and 8th graders prepare for high school and the Prep Hockey Team prepares for the 2009-2010 season.
