To Prospective Prep Hockey Players:

Thank you for your interest in St. Joseph's Preparatory School and the St. Joseph's Prep Ice Hockey Club. The Prep has a long proud history of being one of the finest academic institutions in the Philadelphia area. It has some of the top athletic programs as well. By attending the Prep you will have the opportunity to be challenged both academically and athletically. As head coach of the Prep Ice Hockey team, I am looking forward to building our program with the incoming freshmen classes. If you are interested in being part of one of the newest winning traditions at the Prep, please complete the form on this brochure and return it to the address listed. We will keep you informed of events surrounding the hockey team and your future with the team.

Sincerely,

Ed Austin, AAA Varsity Head Coach

The St. Joseph's Prep Ice Hawks has teams in both the AAA Varsity Division and the AAA JV Division.

The team is currently practicing with two ice times a week for each team at the University of Pennsylvania Class of '23 Rink.

Both teams supplement their league schedules with additional games against area opponents.

Though this is only the seventh year for this program, the Ice Hawks have rapidly become one of the areas most respected clubs and were one of the 12 area teams invited to participate in the AAA Flyers Cup and were seeded 9th in 2007-08. In addition, the JV squad won both the regular and post-season ESHL Championship in 2005-06.
