

The SJP Ice Hockey Club would like to thank all of the people that helped plan, organize and run our Fifth Annual Alumni Game/Family Social. We would especially like to thank Mimi Lebair, Valerie Melnick, Deb Rossello, Mike O'Brien, John Kupcha, Hal Schwalm and Jack Pierce for their help in arranging the event. Most of all, we would like to thank all of the Alumni and Alumni Parents who helped to place the St Joseph's Prep Ice Hockey Club as one of the top clubs in the Delaware Valley. Today's team is benefiting from the paths you blazed and they thank you for all of your efforts helping to Build Men for and with Others on the Ice.

We encourage the Alumni to follow the current team on our web site and come out to see a game whenever you can. We also want to continue to hear from you, your endeavors and accomplishments. Please drop us an e-mail as often as you can and keep us updated on your current e-mail and postal addresses.

We are beginning to construct the 2009-10 Yearbook / Ad Book as both a remembrance of the current season and as a fund raiser for the club. Please send us your photos from the year and consider taking out an ad to show your support of Prep Hockey.
